

## Club Races 2009 – Your Vote Counts

Once again we will be identifying 25 races in total, including at **least** 5 off road/fell events for our 2009 club races. We welcome new events that we haven't run before and hope to have coverage of all popular distances & terrain together with an even spread over the year.

We do not have any Club Races in December.

Races that are not eligible are: The Idle Trail Race & all Vets Only races.

**The attached listings are the races run during 2008. Please have a think and have a look at race diaries, web lists etc so we keep the list 'fresh' and not merely repeat the same races (obviously some we love !!) year on year. We will then encourage participation at these races.**
